# DEDICATION

The Revonah staff would like to take this opportunity to recognize Mrs. Marion Heer for her many years of untiring service and devotion to the Hanover schools. Still a substitute in our system, Mrs. Heer's interest in Hanover is yet great. We thank her for this interest and would like to show our appreciation by dedicating our 1977 Revonah to her.

Thank you, Mrs. Heer. We look forward to many more years of your helpful guidance.

# SUPERINTENDENT'S MESSAGE

## CONGRATULATIONS TO THE CLASS OF 1977.

An education is one of the few things in life that cannot be taken from you. You have just completed one phase of your education. The past twelve years have been spent in learning from others those things that will make life easier for you if used properly. How you use education is now your business. We hope you use it wisely and to your advantage. Please accept our congratulations on your graduation from high school. We wish you all the very best of luck.

Keith R. Barkdoll, Supt.

# PRINCIPAL'S MESSAGE

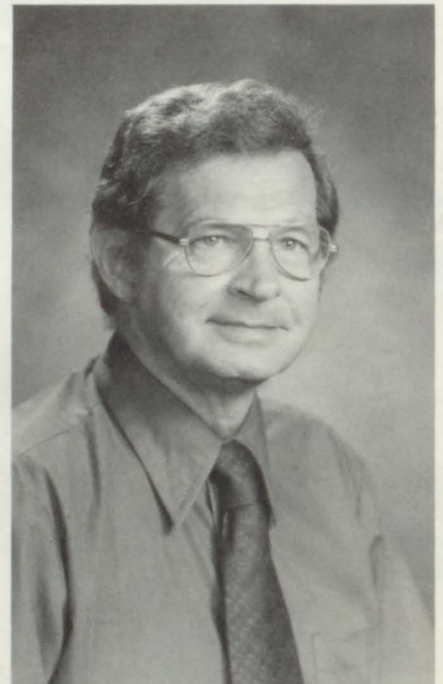

To the Student Body:

Another school year has passed us by. Did we get the most out of the year? Did we take part in all the activities that were available? The year the Seniors have been waiting for has arrived at last. I wish to congratulate the Seniors, and wish them nothing but the best for the future.

To the underclassmen who still have a few years to go before graduation, do the things now that the Seniors wished they would have done had they to do it over again.

Seniors, remember to be good citizens, honor your parents, cherish your school and never forget your community. Always be proud that you graduated from Hanover High School.

Mr. Murphy, Principal
